
Burns Park

Burns Park School Song

**Burns Park, you're in my heart,
I sing my song to you!**

**With Friends each day,
I work and play.
There's so much we can do!**

**From Magic Mountain's Majesty
To the Old Fair Grounds we roam.
We cast away our care
And say that Burns Park School is home!**

**Burns Park when we must part,
Forever we'll be true,
And come what may,
When old and gray,
We'll still remember you!**

Burns Park, we sing to you!
