Enchanted Nature Walk October 20th 5:30-7:00pm

Thurston's Enchanted Nature Walk is coming up on October 20th! Walk through the Thurston Nature Center while enjoying the decorations from Thurston families and trick-or-treat along the way!

This is a family friendly event and all decor and theming should be appropriate for even the littlest kids! Costumes are encouraged, but not required!
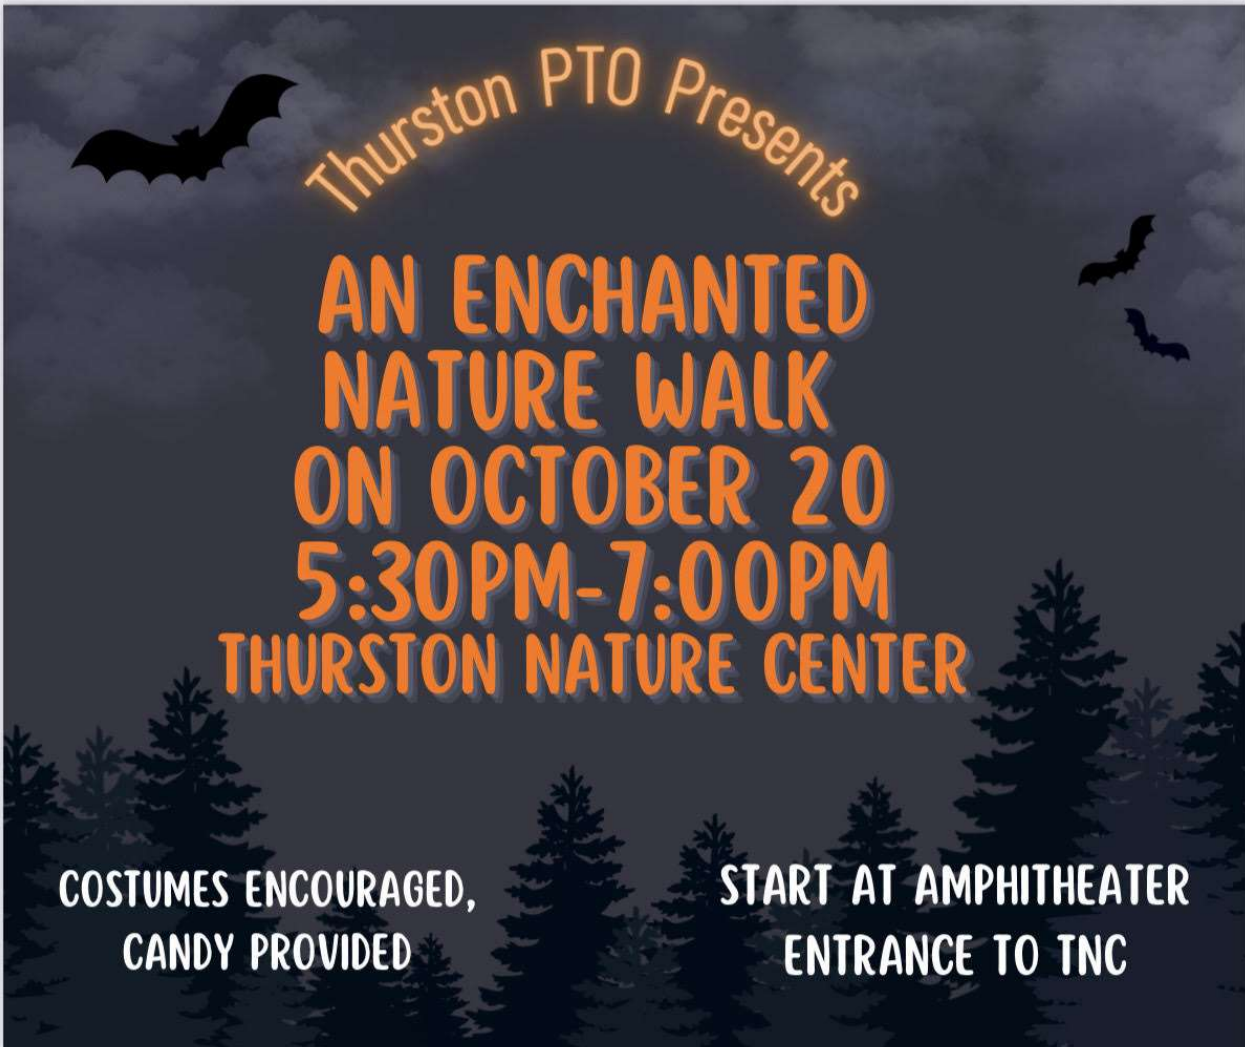

We would love more families to help pass out candy and set up a spot with decorations or wear costumes along the trail. **Please sign up here if you would like to join in the fun!**

When: October 20th from 5:30-7:00pm. Come anytime during this window and walk at your own pace!

Where: Start at the amphiteater entrance to the Thurston Nature Center right behind Thurston! The path will be marked and volunteers will point you in the right direction.

Cost: *FREE!* We are asking for donations of unopened nut-free candy to pass out at the event. Please drop off donations in the marked tote bin in front of the school!

Please note we will not have electricity and it will start to get dark during this event! Please bring your own flashlights or other battery powered lights. No open flames/candles are permited in the Thurston Nature Center.
