2nd Annual Rat Race

We couldn't have asked for a better day. The weather was great, the walkers/runners came ready. We had 91 registrations with 83 people who participated on the day, which helped us raise over \$5,000 through registrations, donations and sponsorships. Thank you to KLA for their \$2,500 donation and Washtenaw Community College Fitness Center for their \$250 sponsorship and free membership passes.

Thank you Sandy Rao, planning committee and volunteers. This day would not have been possible without you.

Spring Boost

The Spring Boost was a huge success. We sold over 170 tickets and had over 30 tickets donated. 98 auction items were donated with 27 of those items provided by our Huron sports team. Thank you to everyone who helped us raise over \$20,000. Thank you to all of our sponsors and donors, the volunteers, planning committee and our amazing Co-Chairs, Susan Wyman and Susan Muenz for making this event a success. See you all next year!

Scholar-Athlete

Congratulations again, to the 511 scholar athletes. Thank you to Adriana Rodriguez, Chair, and the planning committee for bringing the ceremony back in-person after a 5-year hiatus. Our keynote speaker, Waleed Samaha, provided a message to the students, parents and coaches in the audience. Congratulations to the Scholarship Winners - Katelyn and Zak! The Booster Club couldn't be more proud of your efforts in the classroom and on the field/court/pool/course. Keep up the good work!

Finally, as you all know, AAPS is going through a period of financial difficulty. Because we all want our athletes and coaches to have the best equipment, we are going to need to be even more active in assisting our Coaches and the Athletic Director to achieve their goals. We hope to accomplish these goals through more fundraising events supporting all sports, donations and volunteering to help support Huron Athletics, Coaches and most importantly our Athletes.

We look forward to seeing all of you at the Kick Off meeting in September. Please visit our website for more information as the school year approaches.
