

## AAPS High School Suggested Learning Time Schedule

AAPS is committed to providing rich opportunities for all of our students to learn and grow even during the COVID-19 pandemic. We value and respect your family's practices and look forward to engaging in new ways.

As we adapt to teaching and learning online, we hope the information here will make the transition more clear about what to expect between now and June 12 including:

- Daily learning time
- Suggestions for additional learning opportunities
- Responsibilities: teacher, student, parent/ caregiver/ family

We are looking forward to continuing to build a strong relationship with you.

### Daily Learning Time - 9th - 12th Grade

#### Daily Learning Time:

**Academic focus: 2-3 hours per day**, chunked into manageable time increments by course (30-60 minutes)

#### Lesson Schedule:

**3-4 lessons each day posted as activities throughout the week starting at 8:00 am on Monday, according to a block schedule.**

- On Monday and Wednesday, students will receive lessons for half of their classes - typically 1st, 3rd, 5th and 7th hours (if applicable)
- On Tuesday and Thursday, students will receive lessons for the other half of their classes - typically 2nd, 4th, 6th and 8th/advisory (if applicable)
- On Friday, students should complete a check for understanding for each of their courses. These will be posted by teachers every Friday.

#### Other:

- View morning messages from teachers
- Complete additional learning activities as able/needed
- Contact teachers during office hours and ask questions via email any time
- Make time for independent reading
- Access Khan Academy to independently enhance math skills and/or practice for the SAT
- Keep a journal
