## Parent - Sign Up for Schoology

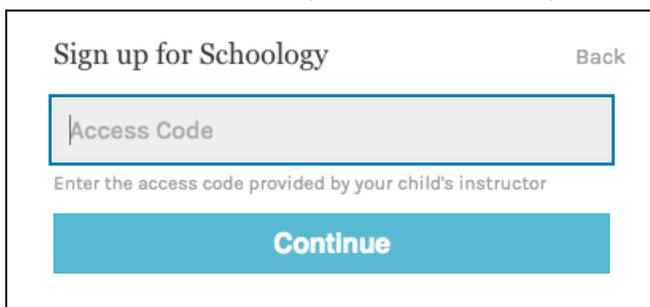

1. In a browser, navigate to [www.schoology.com](http://www.schoology.com)
2. Click the **Sign Up** button in the top right corner of the page.

3. The **Sign Up** button will present with a small drop down dialogue box. Please select **Parent**.

4. Enter the Access Code you received from your child's instructor.

5. Fill out the registration form with your name, email address, and password. Acknowledge the security protocols, privacy policy, and Terms of Use. After clicking the **Register** button, you'll be able to browse your child's Schoology activities by selecting your child's name from the drop down menu located in the top right of

your screen.

The image displays two screenshots from the Schoology mobile application. The left screenshot shows the registration page titled "Sign up for Schoology" with a "Back" link. It features input fields for "First Name", "Last Name", "Email address", "Password", and "Confirm Password". Below these fields is a reCAPTCHA "I'm not a robot" checkbox, a checkbox for "Subscribe me to the Schoology Exchange blog", and a checkbox for "By clicking Register, you are agreeing to our Privacy Policy and Terms of Use". A prominent blue "Register" button is at the bottom. The right screenshot shows the user's profile menu, which is dark blue. At the top, it says "Parent Name" with a dropdown arrow. Below that, it shows "Parent Name" with a green checkmark, "Child Name" (Fair Lakes Academy), and an "Add Child" button with a plus sign. Further down are links for "Your Profile", "Fair Lakes Academy", "Settings", "Subscriptions", and "Logout".

6. Now that your account is created, you can associate additional children. While logged into your Schoology account, click the drop down menu next to your name in the top right of your screen, select **Add Child**, on the next screen, enter the Parent Access Code you received from your child's teacher and click the button to accept. To switch between children, use the drop down menu next to your name in the top right of your screen, select your child's name.
7. After your account is created. You can use the [www.schoology.com](http://www.schoology.com) link and then use the **Log In** button for all future access.
